(b) the allocation made under the scheme to various States/Union Territories during the last three years;

(c) whether the Karnataka Government has requested for allocation of funds for implementation of the IX Phase of the scheme in the State; and

(d) if so, what are the details thereof and by when the amount is likely to be released?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT [DR. (SHRIMATI) RITA VERMA]: (a) To improve the quality of science education and to promote scientific temper, as envisaged in the National Policy on Education, 1986, a Centrally Sponsored Scheme, "Improvement of Science Education in Schools" was initiated during 1987-88. Under this scheme, financial assistance is provided for conduct of experimental and innovative programmes to registered voluntary organizations and States/UTs are assisted for provision of science kits to upper primary schools, upgradation and strengthening of science laboratories in secondary/senior secondary schools; supply of books on science related subjects in secondary and senior secondary schools and training of science and mathematics teachers.

(b) A Statement indicating funds allocated to various States/UTs during the last 3 years is enclosed (See below).

(c) and (d) Government of Karnataka had submitted a proposal for financial assistance to the extent of Rs. 700.00 lakhs under the CSS, "Improvement of Science Education in Schools" for implementation of the IXth phase of the scheme in the State. During 2001 -2002, this Department has sanctioned an amount of Rs. 528.22 lakhs to the State Government for implementation of the scheme after adjustment of unspent balances etc. The amount released was Rs. 28.22 lakhs only due to budgetary constraints. However, the balance amount of Rs. 500.00 lakhs has been released during July, 2002.
